

Quincy Place

43 Quincy Place, NW, Washington, DC 20001

OVERVIEW

43 Quincy Place, purchased in 2007, is a high-end 2-unit multi-family apartment building in Washington, DC's, Bloomingdale neighborhood. Both units feature modern kitchens with granite countertops, stainless steel appliances, a washer and dryer in every unit, and hardwood floors throughout. In addition to these features, the top unit has a 500 sqf loft with a sink and bar; which overlooks the spacious living room. This unit also has a roof-top deck which affords a view of the National Cathedral and Washington's downtown skyline.
